

## To the teams participating in the T20 Mumbai League 2018

---

**15<sup>th</sup> March 2018, Mumbai**

Dear Team Operators,

Please find below the rules of Team Owners Sofa which needs to be followed and strictly complied with:

*To accommodate the wishes of team owners to sit on near the pitch, sofas have been placed beside each team dug-out. The following guidelines apply to any team owner wishing to occupy such sofa:*

- 1. The sofa nearest to the relevant team's dug-out (being the one on the same side of the sight screen as such dug-out) will be the one which team owners from that team may occupy.*
- 2. Only team owners who are registered with Probability Sports at today's date may sit on such sofas.*
- 3. No more than 3 owners may sit on or occupy space around such sofa at any one time.*
- 4. While sitting on or walking to and from such sofa (and otherwise during any period spent in the Players and Match Officials Area (PMOA) while getting to and from the sofa) no person shall make any use of their mobile phone, any tablet, laptop or other such device.*
- 5. If owners wish to change those sitting on the sofa at a time when 3 such persons are currently there, the person(s) leaving the sofa should have left the PMOA before the "new" owner enters it.*
- 6. No team owner shall delay and spend time in the PMOA other than while sat on the sofa.*
- 7. No team owner shall have any form of interaction with any person sitting in the dug-out while sitting on or walking to and from the sofa.*

*8. Please ensure not to walk in front of the sight screens behind the bowler's arm when getting to and from the sofa.*

*Any failure to follow such guidelines may result in the relevant person being asked to vacate the sofa and the PMOA and such person may be prohibited from occupying the sofa in the future.*

Regards,  
Compliance Team,
